

Launch Plan

Every school is different, so your launch plan should reflect your unique needs. By following the milestones above, you'll still cover all the key steps for a successful rollout.

frogeducation.com.au

Purpose

What is the purpose of the app for your school?

Pilot

Create a pilot group.

Review

Review feedback from the pilot group and make any amends.

Launch

Prepare your communications and set expectations.

Measure

Measure the impact and continue with changes.
